No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

The Governor-General,

His Royal Highness

The Duke of Connaught and of Strathearn, K.G.,

BRITISH PROPERTY IN ENEMY
COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications

should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

"WATER ACT."

BEFORE THE BOARD OF INVESTIGATION.

In the Matter of all Streams on the West and North-west Coast of Vancouver Island north of and including Kyuquot Sound; and in the Matter of all Streams on the East Coast of Vancouver Island north of Port Kusam.

A MEETING of the Board of Investigation will be held at the office of the Board, Parliament Buildings, Victoria, on Thursday, the 7th day of October, 1915, at 10 o'clock in the forenoon.

At this meeting all statements of claim to water privileges under Acts passed before the 12th day of March, 1909, on the respective streams, all objections thereto, and the plans prepared for the use of the Board will then be open for inspection.

All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

At this meeting claimants who have not previously done so shall prove their title to the lands to which their water records are appurtenant. This may be done by producing, in case of Crown-granted lands, the title deeds or a certificate of encumbrance or other evidence of title; or in case of lands not held under Crown grant, by producing the pre-emption record, the agreement of sale, the mining record, or other written evidence of title.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.

The Board at the said meeting will determine the quantity of water which may be used under each record, the further works which are necessary for

such use, and will set dates for the filing of plans of such works and for the commencement and completion of such works.

And whereas there may be persons who, before the 12th day of March, 1909, were entitled to water rights on the said streams and yet have not filed statements of their claims with the Board of Investigation, such persons are required to file, on or before the 27th day of September, 1915, a statement as required by section 294 of the "Water Act, 1914." Forms (No. 50 for irrigation and No. 51 for other purposes) may be obtained from any Government Agent in the Province.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, His Honour the Lieutenant-Governor of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, or Turkish subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person
